

Resources to help you organize your attic

August 20th, 2010 6:55 am | Vicki Hancock, Get Organized Examiner

Your attic may be the source of 30-40% of the storage space in your house!

In the previous Get Organized article, you learned nine steps to organize your attic. The following resources should help you through the steps more easily:

- To find help with [infestation](#) or [mold/mildew clean-up](#), enter your zip code at ServiceMagic or [Kudzu](#) to find a recommended professional with the skills you need.
- If you need to [install a floor](#) in your attic before you can use it for storage, link to this About.com article.
- See this eHow article to help you maximize your attic storage space by [using every nook and cranny](#).
- From Reader's Digest, a [room-by-room storage guide](#), starting with the attic.
- For [wall storage ideas](#), see this article from DoItYourself.com.
